

Stamp Classes 101

with SU! Demo Erin Bradley-Hindman

- All evites (online invitations) for classes will be sent approximately one week before date.
- My website www.erinbh.stampinup.net has my calendar of all scheduled classes. I try to have at least one month in advance scheduled.
- Photos for projects won't be shown until the evite goes out. However, I often have one or two advance classes' projects shown at my home during other classes. My blog will have pictures of the cards after the evite has been sent: www.erinbh.typepad.com/stampingwitherin
- For every class, basic supplies must be brought that consists of the following:
 - Adhesive (tape runner or glue stick)
 - Paper trimmer with a scoring blade or a bone folder
 - Scissors
 - Dimensionals (foam adhesive dots)
- RSVP dates vary depending on class type and supplies required. You can respond to the evite (accept or decline), call, or email before the RSVP date. If a RSVP deadline passes and you would still like to come, please call or email me.
- Cancellations made 48 hours before the class date will not be charged.
- If you cancel less than 48 hours before, you have two options:
 1. Pay the original fee and receive all the pieces MINUS stamped images "loose". You will receive the instructions/supply list and photos to help you put the cards together. SU! does not allow me to provide you stamped images loose. If you do not own the stamp set or something that else that would work, you can stamp your images the next time you come to my house.
 2. I can put together all the cards for you, including the stamped images, for a higher price, usually \$5 more than the class fee. When you come to a class, you use your own adhesive and put the cards together yourself. That extra \$5 (or another amount) pays for the adhesive and "labor". You will also receive the supply list/instructions and photos of each card we made.
- Non-locals or people unable to attend a class can also choose one of the "cancellation" options. There would be a minimal shipping fee to mail any supplies.
- Classes are FUN. Really FUN. Be prepared to have a really good time!!! ☺
